Headline:
Dry tonight but chilly under clear skies.

This Evening and Tonight:
Mostly dry into the evening and overnight as cloud fades from many areas, allowing for some clear spells. Feeling chilly around dawn under any clear skies. Minimum temperature 6 deg C (43 deg F).

Friday:
A fine and bright start with largely hazy sunshine. Cloud later thickening from the south with a risk of showers in the east. Staying fine in the west. Breezy. Maximum temperature 20 deg C (68 deg F).

Outlook for Saturday to Monday:
Mostly dry on Saturday, but cloudier later with widespread showers moving in overnight. Showers continuing into Sunday with potential thunder. Further showers on Monday, heavy at times and possibly thundery.
